To share our common theme  
The dream of peace and Amicale  
And hospitality

Great hospitality, we share  
And Friendship one and all  
We greet you with our open arms  
Great service is our call

### Poroporoaki (Farewell)

Should auld acquaintance be forgot,  
And never brought to mind  
Should auld acquaintance be forgot,  
And auld lang syne

For auld lang syne, my dear  
For auld lang syne  
We'll take a cup o' kindness yet  
For auld lang syne

In the foot of the Southern Alps, It's special. You're in the middle of a working farm, surrounded by rolling hills and high mountains, with native forest and birds in every direction. Watch the mighty dog show as our working sheep dogs muster in the sheep for you. And look on as we shear a sheep next to you. You can even have a go at shearing yourself if you want to! You may hand feed our friendly sheep and other farm animals. On the return trip we will visit a couple of Canterbury vineyards to sample some boutique wines.
